

# Landing Page Briefing — Clarity Care

## Project Goal

Create a highly minimalistic mobile first landing page for Clarity Care focused on emotional recognition, scientific credibility and curiosity. The page should not overload visitors with information. Its purpose is to emotionally trigger interest and collect contact details from:

- parents after miscarriage
  - potential early investors The page should feel premium, human and medically groundbreaking.
- 

## Primary Objectives

1. Collect contact details from interested parents
  2. Collect contact details from potential early investors
  3. Build early trust and awareness around Clarity Care
  4. Create emotional resonance and scientific credibility within seconds
- 

## Target Audience

### Primary

Parents after miscarriage seeking understanding and answers. **Secondary**

Early investors interested in deep tech healthcare, women's health and AI driven diagnostics.

---

## Emotional Direction

The landing page should create these feelings immediately:

- finally being seen
  - recognition
  - hope
  - trust
  - scientific credibility
  - calmness
  - curiosity The experience should feel:
  - compassionate
  - groundbreaking
  - trustworthy
- 

## Core Messaging

### Main headline

Finally answers after pregnancy loss **Supporting tone**

Warm human centered scientific innovation.

---

## CTA

Primary CTA: Stay informed Secondary context: For parents and early investors

---

## Form Fields

Required:

- Name
  - Email
  - Country
  - Category selection:
    - Parent
    - Healthcare professional
    - Potential investor
  - Optional:
    - Phone number
- 

## After Form Submission

Simple thank you page only. No automated onboarding yet.

---

## Design Direction

### General Style

- Warm human centered biotech aesthetic
  - Minimalistic
  - Premium
  - Mobile first
  - Emotionally intelligent
  - High end medical innovation
- 

## Visual Assets Available

Available materials:

- logo
  - brand guide
  - pitch deck
  - scan visuals
  - embryo visuals
  - founders photography
  - explainer video
  - YouTube video
- 

## Hero Section

Minimalistic hero section with:

- emotional/scientific visual
  - short headline
  - short supporting sentence
  - embedded YouTube explainer video
  - simple form
  - CTA button
- 

## Trust Indicators

Keep minimal. Show only these 3:

- Amsterdam UMC
  - Dutch Fetal Biobank
  - 20+ years research
- 

## Founders

Founders photography should be subtly visible to increase:

- trust
  - humanity
  - credibility
  - investor connection
- 

## Motion & Interaction

Use subtle premium animations only:

- soft scan movement
  - subtle glow effects
  - gentle transitions
  - refined scrolling motion
- 

## Tone of Voice

The copy should feel:

- scientific
  - warm
  - premium
  - emotional
  - direct
  - hopeful
  - revolutionary
  - accessible
- 

## Structure

Extremely simple landing page. Goal: trigger curiosity and trust fast.

---

## Technical Requirements

- Mobile first design
  - Hosted on claritycare.com
  - Optimized for fast loading
  - Embedded YouTube video
  - Form data storage
  - GDPR compliant form handling
  - Responsive across devices
- 

## Strategic Positioning

The landing page should subtly communicate that Clarity Care is helping solve one of medicine's biggest blind spots: understanding early human development and miscarriage. This should remain subtle and elegant rather than explicit marketing language.
